Industry Experience

Swan Design, Creative Designer, July - Present
Main role as a Conceptual Designer, with the additional task of
multi tasking into post production, pre press and client liaison.

Daily tasks require me to push for new work from existing clientele,
and application of design skills on a wide variation of work ranging from
concepts, corporate branding, website design and planning, allowing me
to see and follow through every job from start to finish making myself a
competent all-rounder specialising in conceptual design.

Key Skills

Conceptual ideas, creative problem solving, presentation skills,
branding, logo design, magazine page layout, typography,
creative copy writing, website design and layout, online media,
retouching, repro, post production, on site print and print finishing
knowledge, strong client liaison and job management.

Curriculum Vitae

Software Skills

Adobe Illustrator, Photoshop, InDesign,
Flash, Dreamweaver, Quark Express, Microsoft Word, Excel
and Powerpoint.

Additional Work Experience

Homebase Ltd, Team Leader Shop Floor,
September 2002 to July 2007
Daily tasks required me to prepare the store ready for service,
stock replenishment, customer service and order taking.

Personality

I am an out going creative young designer, enthusiastic and passionate
about all aspects of visual communication. I am dedicated, focused,
friendly, confident and have excellent communication skills.
I have the ability to work well on my own and as part of a team.

I enjoy travelling, film, music, photography, mountain biking, personal
fitness, classic cars and I have recently fully restored my 1974 Volkswagen
Beetle to a high standard.
